

13) write a shell script to display the Pass class of student.

```
echo "enter Student name"
```

```
read n
```

```
echo "enter register number"
```

```
read g
```

```
echo "enter three subject marks of $n"
```

```
read m1
```

```
read m2
```

```
read m3
```

```
Sum1 = 'expr $m1 + $m2 + $m3'
```

```
echo "In - - - - -"
```

```
echo "In name : $n"
```

```
echo "register number : $g"
```

```
echo "Sum of 3 Subjects are : " $Sum1
```

```
Per = 'expr $Sum1 / 3'
```

```
echo "Percentage : " $Per
```

```
if [ $Per -ge 80 ]
```

```
then
```

```
echo "distinction"
```

```
elif [ $Per -ge 65 ]
```

then

echo "first class"

elif [\$Per -ge 40]

then

echo "Second class"

else

echo "fail"
